**Antioch To Supply
Top Soil for Fair**

County Engineer U. S. Marshall revealed here that 1939 exposition officials had agreed to consult him before removing any top soil from San Mateo County to Treasure Island.

Meanwhile the exposition company announced completion of an agreement whereby 100,000 cubic yards of loam will come from Bethel Island near Antioch. Cost of spreading the soil over the exposition grounds will be \$1.35 a yard.

**Benefits Told
Merchant Group
Of Patman Bill**

Nearly 300 employers and employees of independent business Monday heard Charles H. Jacobs, state manager of the Home Owned Business Association, give assurance that the Patman National Chain Store Bill has the support of President Roosevelt, that it in all probability will be passed at the next session of Congress and for once and for all wipe out the chain stores.

He told of work of the state office in counteracting what he termed "fake" consumer organizations sponsored by the chain store groups, and promised state assistance in promoting the welfare of the Redwood City unit of the association.

Samuel Worswick, sales counselor, gave a brief lecture on salesmanship, stressing customer contact, loyalty and co-operation in business organization.

Randal McMillan, president of the Independent Merchants League of Palo Alto, urged all present to contact Congressman John J. McGrath on the Patman bill.

Entertainment features included accordion numbers by Eugene Serreau, dances by Stanley Feusier, Bobby Lee, Wanda Germain and Drury McCarthy, which were roundly applauded, and community singing led by Charles G. Lambert.

Greetings were extended by Joseph Territo, president of the Redwood City Home Owned Business Association, and by Mayor Paul A. McCarthy. A. J. Brown presided at the meeting, first of a series of affairs planned by the merchant group to promote welfare of the independent business men.

**Students Attend Meet
Of Scholarship Group**

Eight members of the Sequoia High School chapter of the California Scholarship Federation, accompanied by Ronald Anderson of the high school faculty and Mrs. Michael Hoffman, went to Moraga Saturday to attend the semi-annual meeting of the federation's Bay Region council at St. Mary's College.

In the local group were Betty Hoffman, Patricia Jeffers, Esther Colton, who represented Sequoia in an oratorical contest on the topic "What Is Scholarly Service?" Peggy Seufert, Nadine Johnson, Ly-

WHEN EMPLOYERS, EMPLOYEES ENJOYED FELLOWSHIP MEETING

Camera Art Studio

Redwood City independent business men and employees, 300 strong, gathered in Sequoia High School Cafeteria Monday night for a good-fellowship dinner at which a program was given and talks heard on the Patman National Chain Store Bill and on salesmanship. Here is a portion of the crowd, with speakers' table in the background, the "stage," where dancing and musical numbers were presented, in the foreground.

**Painting Contractors
Take In New Members**

BELMONT, Apr. 5.—Carl Friberg, state president of the Master Painters' Association, was the guest of honor at a dinner given last night by the San Mateo-Palo Alto chapter of the organization at Herndon's Cafe, Belmont.

Twenty new members were taken in. Past President of the Chapter Otto Herbig was master of ceremonies during the initiation, after which it was decided that a committee made up of B. W. Kramer of Belmont and A. P. Casatagnino, San Carlos, should attend the reorganization meeting of the San Jose chapter at the San Jose Country Club Friday evening.

Professional jai-alai players donate 5 per cent of their earnings to a fund which provides pensions on retirement.

**Harbor Boulevard
Surfacing Under Way**

Work was under way today by Granite Construction Co., Watsonville, successful bidders, on the resurfacing of Harbor Blvd., two-mile stretch of road leading from Bayshore Hwy. to the Port of Redwood city and the Pacific Portland Cement Co. plant.

The \$12,000 job is expected to be completed within 30 days, weather permitting. Contract was awarded several weeks ago by the city council, effective Apr. 1. A two-inch bituminous macadam surface is being laid. By paving half-road portions of the boulevard at a time, the thoroughfare will be kept open. Consequently, unloading of lumber from ships at the port or deliveries to or from the cement plant will not be affected. One lumber ship, the Peter Helms, owned by McCormick Steamship Co., is due in Friday, Port Manager Walter F. Murphy said today.

Handel's first English songs, including "Dear Adonis" and "Transporting Joy," were discovered recently in a heap of manuscripts in the British Museum and published for the first time.

**Conferences Draw
Sequoia Teachers**

Nine members of the Sequoia High School Faculty attended weekend conferences at the University of Berkeley, going there Friday for the opening of a two-day session of the California Educational Research Association were Miss Camilla Low, dean of girls, and S. S. Mayo, principal of Sequoia Adult Evening School.

Going Saturday for a joint meeting of the research group and the Northern California Council for Exceptional Children were Vice Principal and Dean of Boys Donald L. Bogie, Vice Principal Miss Julianne Wolters, Miss Angleina Burns, Mrs. Eyla Woodbridge, Mayo, James M. Eva, Ramon Dimick and Harvey Hall. Special case children and handicapped children were the subject of consideration at the joint Saturday meeting.

MENLO PARK NEWS NOTES

MENLO PARK, Apr. 7.—The local election for city trustees is a very quiet affair, but the campaign promises to be enlivened during the next few days when the candidates take the field in a final canvass. Weeden, Hart, Concannon and May appear to be leading the fray, with Cooper and Carroll close contenders.

The funeral of Anton Wipfler took place Thursday morning from the Church of the Nativity. Interment was in Holy Cross Cemetery, Colma. Mr. Wipfler lived with his family in Stanford Park for a number of years. He was well-known. Mr. Wipfler passed away Monday after a brief illness. He is survived by his wife, Alvina Wipfler, a son, Leonard, and a daughter, Mrs. Kenneth Sawyer.

Mrs. Paul Bonnot has been re-

-elected president of the Las Lomas Parent-Teacher Association in Menlo Park district. She will direct activities of the organization for a second year.

Last Monday Charles H. Merrill was re-elected a member of the Menlo Park Fire Board, a position he has held for many years. Mr. Merrill also is a member of the Sequoia High School Board of Trustees. Mr. Merrill takes pride in serving the people in civic affairs.

Mrs. Marian Gilbert, missing daughter of Mr. and Mrs. M. B. Lewis, 1341 Hoover St., accused of killing her husband, James, at a mine near Gardnerville, Nev., last November, vanished from her home in February and no trace of her has been found. Mrs. Gilbert's intimate friends here scout the idea of the murder charge. They believe rather that she was the victim of a plot to remove her from scenes she was too well acquainted with. Mrs. Gilbert, who was 22, had been previously married, her marriage having been annulled. After graduating from Sequoia High School she attended the junior college at San Mateo for a short time, then she married Gilbert, going shortly afterwards to Nevada.

Mr. and Mrs. Francis Johnson have selected names for their twin sons, born Mar. 21. The older will be Brian Hall and the younger, Barry Lee.

The rainfall for the last storm was .84 inch, making a total for the season of 26.10 inches. At this time last year the precipitation was 22.25 inches. The rainfall this season is the highest in 20 years.

It is reported that Jack Dempsey will receive \$50,000 plus 10 cents on every case sold, for the use of his name on a new whisky.

Young Seamen Enjoy Cruise

The longest cruise they had yet enjoyed was made over the weekend by Capt. L. F. Bosshardt's pupils in his unique junior mariner class, which has headquarters at Redwood City Yacht Harbor.

The boys, who are receiving preliminary instruction looking towards careers in the merchant marine, took the "Meta K." motor sailer, to St. Francis Yacht Club, San Francisco, Saturday evening, then to Treasure Island, site of the 1939 World's Fair, on Sunday. Enjoying shore leave Saturday, the dozen youths saw picture shows and otherwise "took in the sights."

Because of brisk winds, the entire trip, both ways, was made under sail.

Captain Bosshardt, who lives on Whipple Ave., was warm in his praise of his students, especially of Mates Elkins and Pringle, who were in charge during the cruise, part of which was made at night.

The eldest son of the kings of France was known as the Dauphin.

Rail Exhibit Planned For Sequoia April 17

A display featuring the various objects that have an important part in the daily life of a railroad company will be exhibited in the upstairs show case at Sequoia High School by the Ocean Shore Railway Historical Society during the week of Apr. 17.

Also shown will be blueprints and pictures of many types of locomotives in use at the present time. The club sponsoring the exhibit is a local organization composed of former and present Sequoia students. Any person interested is eligible for membership, according to Fred Hartwell, president.

Many historians rank the invention of the hand-mill for grinding grain as the second greatest event in the march of civilization. The discovery of fire is ranked first.

\$65,700 In Notes Asked From Estate

Creditors in the Allan St. John Bowie estate have filed claims for \$65,700 on six promissory notes executed by the retired Hillsborough electrical engineer.

Three five per cent notes were presented by Bank of America for a total of \$60,200. They were signed between July 2 and Dec. 19, last year.

Three more bearing 7 per cent interest were filed by Elizabeth W. Jones. Two were signed Nov. 24, 1937, and the third represented a \$1500 balance due on a \$3000 note of Oct. 19, 1935. Judge A. R. Cotton approved all six notes.

Public Meeting Of Chamber Set For Early May

Plans for a general membership meeting and for attendance of committee members at a Friday meeting of the Central Coast Council of the State Chamber of Commerce were made when directors of the Redwood City Chamber of Commerce met Tuesday afternoon.

The membership meeting will be held with the regular May meeting of the directors at the Firehouse Auditorium, probably Wednesday, May 4, it was decided.

Named as committeemen to attend the San Francisco session of the coast council were: Industrial committee, to discuss need for a survey to ascertain what industries are particularly fitted to Bay Region localities—Henry A. Beeger, Daniel R. Stafford, D. St. George, George A. Merrill, Walter F. Murphy and David D. Bohannon; highway committee, which will make recommendations to the state highway commission for the 1939-41 biennial budget—Henry Witte, Duncan Reynard and Louis C. Christensen; publicity committee—Roscoe D. Wyatt, chamber secretary-manager.

Other action of the directors: Authorized purchase of 3000 city maps with a classified list of chamber members on the reverse side. A list of civic and community organizations and a list of local churches also will appear on the back of the maps. These are to be distributed to householders, especially new residents.

Recommended favorable action by the city council on a request from the California Mission Trails Association for \$100 participation in the advertising budget of the association to attract travel and tourist expenditures along the coast highway. The Mission Trails Association distributed more than a quarter million travel booklets in 1937.

Authorized the merchants' committee to announce to retail merchants the desire of the city council that establishments be closed on Easter Sunday at least between 10 a.m. and 1 p.m.

Appropriated \$25 toward the expenses of the "Clean Up During 1938" campaign committee, to be expended in a publicity campaign under supervision of City Manager C. L. Dimmitt.

Directed that an inquiry be made into the matter of issuing a progress bulletin to the general membership to include among other items a list of new residents of Redwood City.

'SNOW WHITE' COMING TO SEQUOIA

Walt Disney's "Snow White and the Seven Dwarfs" opens on the Fox Sequoia Theater screen for a four-day engagement Wednesday morning at 11 o'clock. Price for kiddies in Redwood City will be only 10c from opening time till 5 o'clock. "In Old Chicago" opens tomorrow for a four-day engagement. The Fox Sequoia will operate a matinee every day through the week, from Saturday, Apr. 9, to Saturday the 16th, inclusive.

'Vacation' To See Teachers at Parley

There will be no Spring "vacation" next week for several members of the Sequoia High School faculty, who will spend the time in Hollywood, attending a convention of the Association of Secondary School Principals.

A. C. Argo, Sequoia principal, will act as chairman for a section meeting at which the core-curriculum for other than co-operating, progressive schools will be considered. As chairman of the state core-curriculum committee, Argo will make a report for that group's section meeting also and will describe Sequoia's curriculum construction program for the meeting of the section on co-operating schools of California.

Leaving Saturday, Argo will be accompanied to the convention by C. H. Merrill, president of the high school board of trustees; Donald L. Bogie and Miss Julianne Wolters, Sequoia vice principals, and S. S. Mayo, director of adult education at Sequoia. They will return to Redwood City Apr. 14.

Several principals and teachers in the elementary school system of Redwood City are expected to attend the meeting also.

Every type of clay known to the ceramic industry, except ball clay, exists in Texas.

Sequoian Wins County Speech Contest Here

Winning the right to represent San Mateo County in the Northern California regional competition of the third annual California Crusaders' public speaking contest and winning also a gold medal, Willis Rosser, Sequoia High School sophomore, was adjudged the best speaker of the three entered in the county contest Wednesday at the local high school auditorium.

Speaking on "American Citizenship and What It Means to Me," Rosser won over representatives of South San Francisco, which placed second, and Burlingame High Schools by unanimous decision of the three judges—Mrs. John J. Garland of Menlo Park, Dean Charles Morris of San Mateo Junior College and George Stewart, vice principal of Palo Alto High School.

Former Atherton Woman Succumbs

Mrs. Katherine Hodnett Wrenn, wife of the late Wilmer C. Wrenn and former resident of Atherton, passed away Saturday in San Francisco, where she had been making her home.

She was the mother of Virginia Wrenn Allen and sister of Winifred H. Pitts, Mae H. Gavin and Nell H. Helmer, all of San Francisco, and Mrs. J. J. Casey of New York.

Plate Repairs
There's no need of buying a new plate when your old plate can be made to fit tight and look like new. Use Dr. Campbell's dental laboratory for plate repairs.

ONE DAY SERVICE TO OUT-OF-TOWN PATIENTS

Mission Trails' Exhibit Building Plans Completed

Plans were revealed here to have been completed for the Mission Trails Building to house exhibits of San Mateo and other coast counties at the 1939 Golden Gate Exposition on Treasure Island. Bids for construction of the building soon will be sought.

The first of the county group buildings to be accepted by the state, the structure, of composite mission architecture, promises to be one of the outstanding exhibit structures at the fair. It will hold exhibits from Santa Barbara, San Luis Obispo, Monterey, Santa Cruz, San Benito and San Mateo Counties.

Through the efforts of supervisors of the Mission Trails counties and the California Mission Trails Association, tourists promotion organization for the area, the State Exposition Commission was prevailed upon to finance the construction of the building with a part of the \$5,000,000 allocated by the state for California's participation at the exposition.

A 100-foot diorama, showing the Mission Trails counties in detail, will be a featured attraction. Arrangements are provided whereby agriculture, education, transportation, industry, and scenic attractions may be displayed to their best advantage.

One room of the building will be designated as a "Ladies' Club Room," where various women's organizations of this territory may meet while attending the exposition.

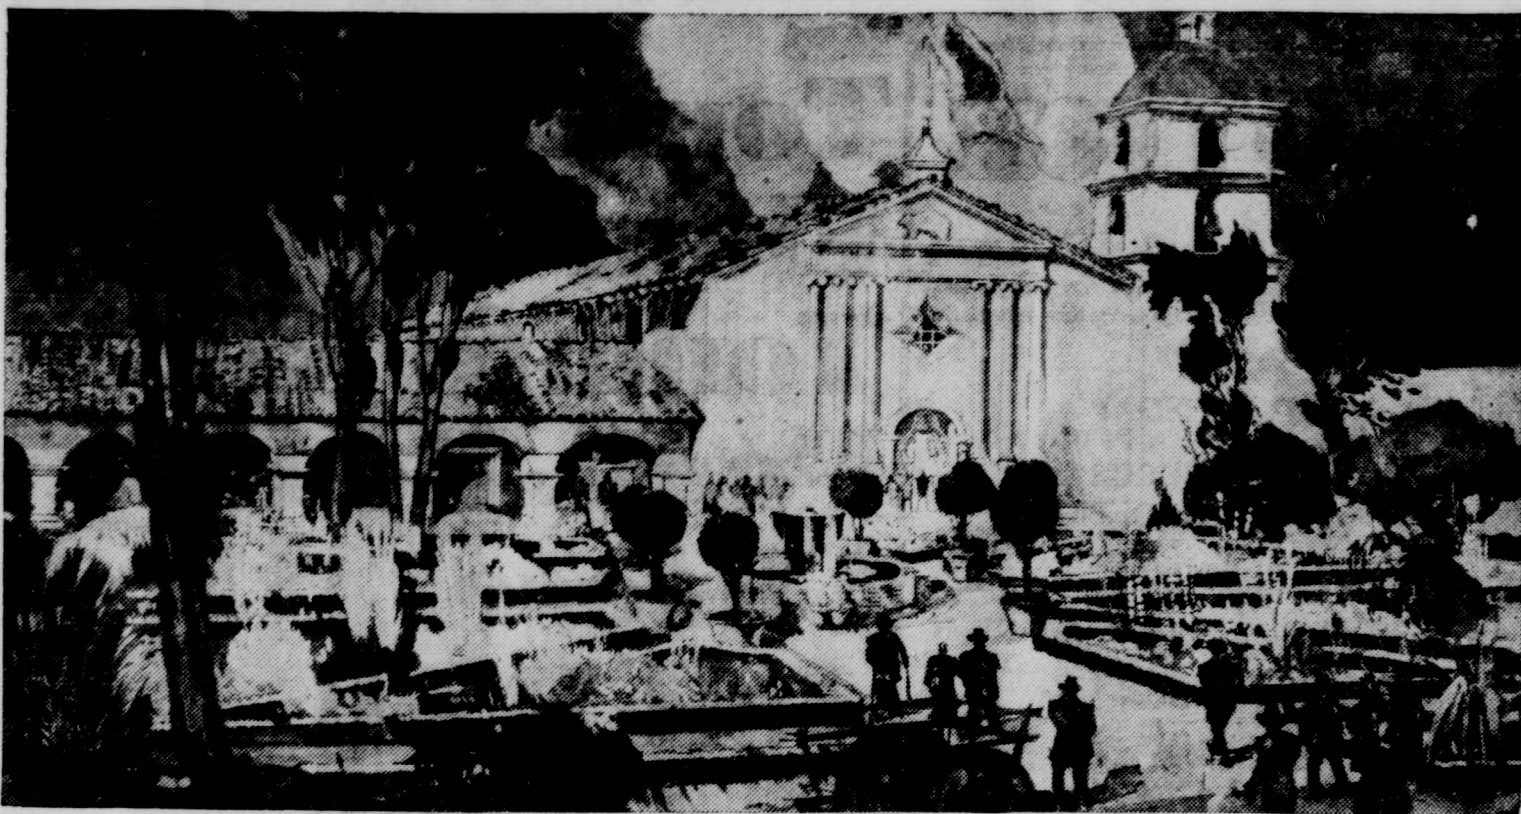

Trees, shrubs and flowers grown within the Mission Trails area will be transported to Treasure Island and planted in the gardens, creating a true Mission atmosphere.

Suspended Sentence Given on Gun Charge

Lester Leon's marital troubles appeared to be on the mend today as he found himself cleared of serious charges arising from his efforts at conciliation Mar. 27. Leon was first jailed for assault with a deadly weapon when he fired a shot in the South San Francisco home of his estranged wife.

Dep. Dist. Atty. Louis B. Demattels questioned Leon and his wife and charged Leon, an alien, with felonious possession of a gun. In court the wife said she intended

WHERE PENINSULA WILL EXHIBIT AT WORLD FAIR

This is an architect's sketch of the Mission Trails 1939 Exposition Building, which will house exhibits of San Mateo and other coast counties at the World's Fair on Treasure Island.

Toastmasters Plan For Speech Contest

Toastmasters besides hearing a half dozen talks made further plans for the Sequoia High School speaking contest when they met last night when they met Monday night.

Cuthbert B. Currie was named as chairman for the contest, set for Apr. 25, and delegated to arrange for judges.

Next week, due to the Easter holidays, there will be no Toastmaster meeting.

Speakers last night, under chairmanship of J. A. Buhler, were James P. Hagan, who spoke on "The You Attitude"; B. E. Myers, who in a humorous vein talked about Critic Robert R. Gros; Martin Levy, who discussed regulating transportation; Louis B. Demattels, who described the federal theater project; Francis Lobbett, planes taking off and landing on the Airplane Carrier Saratoga; and George Taylor, who discussed fishing.

to return to her mate; so Demattels asked that the charge be reduced to a misdemeanor.

Leon was sentenced to six months in the county jail but the sentence was suspended.

Duffield's Trial Set for April 22

Trial of Theodore C. Duffield, charged with aiding the escape of Charles H. Crosby from a Belmont sanatorium while being sought on narcotics charges, was set late Monday for Apr. 22 before a jury in Judge Maxwell McNutt's court.

Wong Sing, convicted on charges of possessing opium, was admitted

to two years' probation on condition that he serve six months in the county jail. Allowance was made for 20 days already served. James Frazier and Alvin C. Kelly, charged with second degree burglary, pleaded guilty and asked for probation. Their alleged companion in the burglary of the Wal-

dorf Cafe in San Mateo, Mitchell Tometch, asked a week's time to enter a plea.

Atty. Harry Sullivan was assigned to defense of Guy Arcara and Robert W. Priest, charged with the burglary of a Colma service station.

Alberson Takes Over Sgarlato's Station

Sam E. Alberson, who for the past four years has traveled for a large oil company and previous to that operated a service station in Palo Alto, has taken over the Richfield station at Main St. and Middlefield Rd., Redwood City, having purchased the lease of A. D. Sgarlato, who plans to devote his attention to his garage and auto sales business. Alberson, with Mrs. Alberson, lives at 239 Iris St.

Nature's Way To Treat CONSTIPATION

Constipation is a most common trouble. A daily action of the bowels, as a rule, is required for HEALTH. Much ill-health and suffering from gastric pains, indigestion, headache, tired feeling, and sleeplessness, are often caused by CONSTIPATION. Our NATURAL CHINESE HERBS act directly on the colon, aiding the muscular activity of the BOWELS, and gives you more natural and easy elimination. Remember, our Chinese Herbs contain no harmful or habit-forming drugs. Continuous use of cathartics to stimulate elimination is a dangerous, habit-forming method of treating constipation. The continued use can only result in aggravating the condition. No matter how long you have been suffering or what you have tried, YEE & KO, the Chinese Herbalists, can positively help you and restore you to good HEALTH. Act today, before your trouble becomes WORSE.

CHINESE HERBS RELIEVE SUFFERING

No matter what your affliction is, whether of the Lungs, Liver, Stomach, Heart, Kidneys, Bladder, or if you are afflicted with Indigestion, Asthma, Catarrh, Anemia, Rheumatism, Arthritis, Chronic Cough, Constipation, Diabetes, Headaches, Dizziness, Skin Diseases, Stomach Ulcers, Piles, Hemorrhoids, Female Trouble, or any known complaint, come and be made well again by the herbs God put into the ground for the very purpose of healing mankind. CONSULTATION FREE.

Council Delays
Friendly Acres
Annexation Move

That an election to annex Friend-
ly Acres tract to Redwood City
likely would carry overwhelmingly—
provided residents there can get
Redwood City water at rates com-

parable to those paid by users now
served by the municipal system—
was indicated to the city council
Monday when a petition bearing
63 names was filed asking that an
annexation election be called.
There are 72 registered voters
from the district, City Atty. Albert
Mansfield told the council, although
it was considered likely there were
some who had registered recently
whose affidavits had not as yet
been turned in to the county clerk's

office by registration deputies.
But because of the water ques-
tion, action on the petitions was
delayed a fortnight.

WATER MAIN OBJECTIVE
B. J. Smith, who circulated the
petition, confirmed an opinion of
councilmen that many of the sign-
ers were anxious to come in pri-
marily to secure lower water rates,
although they also would gain other
city services, such as fire and police
protection.

Because City Manager C. L. Dim-

mitt had not been able to contact
owners of the firm at present sup-
plying water to the district to learn
if they would sell out at a price the
city could pay, it was decided to
delay action toward calling an elec-
tion.

Questioned by the council, City
Attorney Mansfield explained pro-
cedure in annexation.

HEARING PROVIDED FOR
He said that following receipt of
the petition, the council should set
date for a hearing, at which time

protests could be made to the hold-
ing of the election.

The council then would call the
election in the territory seeking to
be annexed.

If the election carries, the coun-
cil would either (1) pass an ordi-
nance which would declare the ter-
ritory annexed, or (2) call a city
election to see if the city wanted
the territory taken in. If the ordi-
nance were passed, it would be sub-
ject to a referendum within 30 days.
Thus, this gives both the outside

 WAS THE ONLY EX-PRESIDENT OF THE UNITED STATES TO RETURN TO WASHINGTON AS A MEMBER OF CONGRESS.

THE LISBON EARTHQUAKE OF 1755
 PRODUCED WAVES ON LAKE ONTARIO.

THE U. S. Department of Agriculture estimates that rats cause an annual damage of \$189,000,000, although the rat population is believed to have been reduced one-half in the last twenty years. About half of the present number of these rodents live on farms.

Machine Takes Over Road Bureau Payroll

Completion of the road department payroll set-up in the county service division for production in the Hollerith bookkeeping machine was announced here by A. C. Fensel, auditor and investigator in charge of the California Taxpayers Association survey of San Mateo County government.

Fensel said the survey is complete except for the fiscal procedure, relief accounts in the social welfare department, and Community Hospital accounts.

Kelley Renominated As S. M. Postmaster

Among postmaster nominations sent to the Senate Tuesday by Pres. Roosevelt for confirmation was that of John H. Kelley of San Mateo, postmaster there for the past four years. Kelley is a brother-in-law of Congressman John J. McGrath.

Al Schacht, king of all baseball clowns, will fill 130 engagements this summer, and will travel 45,000 miles by automobile to keep them.

Out-of-Season Hunt Charged Caretaker

Two Redwood City youths who started on a week-end camping trip Saturday afternoon were responsible for the arrest of Dick Perry, caretaker of Dr. T. M. Williams' ranch near La Honda, on charges of shooting a deer out of season.

The boys, Clyde Plants, 17, 526 Hudson St., and Jack Duttweiler, 18, 143 Somerset St., told Fire Warden Bert Werder they saw Perry throw the deer into a yellow dump truck on La Honda Rd. west of Skyline Blvd. They took the license number and Werder traced it to Dr. Williams, who lives in Palo Alto.

Werder, after learning that Dr. Williams had left for Europe two weeks ago, finally traced the vehicle to the La Honda ranch. Werder notified Game Warden Harold Peck, who arrested Perry.

Perry, 34, was released on \$100

Michael Kelly Passes Away

An illness which had confined him to Mills Memorial Hospital ended in death late Saturday for Michael Kelly, retired, who resided at 1132 Cleveland Ave., Redwood City. He was 70.

Mr. Kelly, who leaves his wife, Mrs. Katherine Kelly, also is survived by three children, Michael J., John J. and Daniel Kelly; a brother, Jeremiah Kelly, and a nephew, Jeremiah Sullivan.

He was a native of Ireland.

The highest railway line in Europe runs up the Jungfrau mountain in Switzerland to an altitude of 11,000 feet.

He was allowed two weeks to plead in Judge Edward I. McLaughlin's court.

E. A. Fletcher's Friends Cite Achievements

Progress of City Greatest in History During 4-Year Term

With only a few days left before voters go to the polls to select their city officials for another four-year period, friends of Evans A. Fletcher, incumbent councilman, banded together today to bring to the attention of the public the outstanding record of progress made by their candidate.

Among his noteworthy achievements that have done much to make Redwood City a better, more beautiful place to live are the following:

1. MOVING OF S. P. DEPOT.
2. Active chairman of committee, CITY CLEAN-UP CAMPAIGN.
3. Originated and promoted movement.
4. LAVER PARK SOFTBALL DIAMOND. Introduced plan with aid of civic bodies.
5. MIDDLEFIELD ROAD PLAYGROUND. Presented idea and urged action.
6. WOODSIDE RD. CULVERT COVERED. Sponsored movement to obtain Federal Funds.
7. CITY BEAUTIFICATION. Unlikely auto camp abated on highway.
8. ROGERS ST. CONNECTION with Bayshore assured.
9. REPAIRING OF VALOTA RD. Brought about this improvement.
10. WIDENING OF EL CAMINO REAL. Always in forefront in this program.
11. RESTORING "U. S. 101" TO EL CAMINO. Now aiding in this project.
12. PEDESTRIAN CROSS WALKS IN BUSINESS DISTRICT. Personally brought about installation for safety of shoppers.
13. FLASHER TYPE ARTERIAL STOP SIGNS. Introduced measure before council and worked for completion. Insures safety of both pedestrians and motorists.
14. FENCE ON BROADWAY SIDE OF SEQUOIA HIGH SCHOOL GROUNDS. Changed from unsightly appearance to modern, artistic design. Brought matter before School Trustees.
15. CIVIC WORKER. Always active in the interest of all local organizations.
16. 100% HETCH HETCHY WATER. Always a supporter of this improvement and constantly working for reduction of water rate.

ALWAYS READY TO LISTEN TO ANY WORTH-WHILE SUGGESTION. Maintains an open mind on anything for the good of the city.

Space does not permit the listing of many other progressive moves in which Mr. Fletcher has had a part.

However, we, as citizens, believe that you will agree that during the last four years Redwood City has gone ahead in appearance and achievement to a far greater degree than any like period in the history of the community. If this progressive type of city government is continued, we will see an even greater era of advancement, with benefit to every resident of our beloved community.

This advertisement is written and published and paid for by friends of Mr. Fletcher who believe in good government at NO INCREASED COST.

LOOK OUT
 Before You
 PULL OUT
 ---AVOID
 ACCIDENTS!

Be Protected With a Tribune \$10,000 Accident Policy for \$1 a Year

HUNDREDS of times every day, motorists pull out from the curb without ever looking back . . . without noticing the fast moving cars headed toward them. Many bad collisions . . . many serious injuries are caused by such carelessness. It is necessary to LOOK FIRST before you leave your parked location, for cars driving along the right of the street cannot anticipate a sudden "pulling away" from the curb. It's up to you to "pull out" when the way is clear—to exercise caution.
